

SUGGESTED ITINERARY FOR FIRST-TIMERS

If you've never been to a Renaissance Faire before we're excited for you because you're about to have an incredibly memorable day. We've created this suggested itinerary just for you to make the most of your visit. While you aren't required to dress in costume to attend the show, we encourage it to further enhancing your fun with us. Try to do as many of the things on this list as you can...

✓ SUGGESTED ACTIVITY
<p>Mandrake's Mystery: Upon entry to the Faire be sure to ask the Greeters for a copy of Mandrake's Mystery. This free game will have you laughing all day as you attempt to solve a game of "Renaissance Clue" by interacting with various performers. This one is a must if you want to have more fun! There are new mysteries every weekend of the show.</p>
<p>Secret Unicorn Game: We've hidden the Faire Unicorn Logo in over 60 different locations. Can you find them all? Write your answers on the back of this itinerary. Good luck!</p>
<p>Entertainment Program & Schedule: If you weren't handed a free Entertainment Program and Schedule of Events when you walked into the Faire be sure to get one from our Greeters at the entry gate. This will give you a summary of all performers and when and where they are performing.</p>
<p>Watch the Shows: It can take up to 6 straight days to see every show at the Faire so if you are only planning to visit once, stop by our Souvenir Booth and attendants them for show suggestions. Please note: Some shows contain humor and language that may be inappropriate for your children. These shows will announce this prior to starting.</p>
<p>Participate in a Show: Many of our performances encourage audience participation. If a show asks for a volunteer be the first to raise your hand and join in the fun. We want to make your day with us as memorable as possible and this will help.</p>
<p>Interact with our Street Cast: Take a moment to chat with our costumed actors. Ask them what they do in the village and engage them in conversation. They want to talk to you and help you step back in time.</p>
<p>Dance with Us: Every day of the Faire we teach various dances you'd see at an old-world festival or a castle court. Check your schedule and join us as we teach you the steps of courtly dance.</p>
<p>March in the Parade: If you are wearing a Renaissance costume we encourage you to meet us at the front gate and march with us in the Royal Procession. Check your schedule for the parade start time. We stage to march 10 minutes prior to start.</p>
<p>Eat a Turkey Leg: Get your hands on a delectable turkey leg from the Fin and Feather tavern and feast away like you're a king! Treat yourself to a variety of food and drink on this special day – you deserve it!</p>
<p>Explore the Marketplace: Browse through all of our merchant shops and look for things that catch your eye. From jewelry, housewares, and clothing to swords, armor, collectibles, and toys there is something for everyone at the Faire.</p>
<p>See the Joust: Take the time to see armored knights on horseback trying to knock each other off with colored lances. Cheer for your favorite knight. The most attended joust of the day is the final joust which is a *must-see* show.</p>
<p>Final Sing: Attend the Final Sing which contains creative (and often humorous) songs and skits made by our talented performers. Don't miss the last show of the day!</p>
<p>Get a Memento: Stop by our Souvenir Booth on your way out of the Faire and purchase a memento of your first faire experience. We recommend our quality t-shirts and sweatshirts. If you are planning to return to the Faire consider purchasing a season pass while you're there and come back to enjoy many more days of fun with us.</p>
<p>Mailing List: If you haven't done so already be sure to sign up for our email list at ctfaire.com for discounts and special offers.</p>

Thank you for visiting us. We hope you were able to check off everything on this itinerary and had an incredible day. If you have fun, we kindly ask you recommend us to friends and family. If you had a REALLY good time, come back this year and bring them along. We look forward to seeing you again.
