

## What's New in 2025 at The Connecticut Renaissance Faire

*New acts, fan favorites, and unforgettable adventures await!*

### Featured Additions

- Bardy Pardy (Oct 18-19): Musical comedy, folk harmonies, and storytelling.
- The Longshanks (Aug 30 - Sep 14): Elegant stilt acrobats towering over the faire.
- Throne of Games (All 8 weekends): James Clever's interactive game show returns.
- Timbalanced (Oct 5-19): Carnival meets circus in this chaotic, prize-filled show.

### New for 2025: An Expanded Season

The 2025 season now features eight consecutive weekends of Faire fun - the most in our history. This expansion brings with it the debut of:

- Faerie Ring Revels Weekend (September 27-28): A whimsical celebration of forest magic and fae folklore. Guests will dance among the fairy rings, meet mystical woodland characters, and enjoy an atmosphere unlike any other weekend at the Faire.

**"2025 is all about elevating the energy and surprising our audience," said Todd Silber, Co-Owner. "This season is bold, weird, hilarious, and unforgettable - exactly what the Renaissance Faire should be."**
